STATEMENT IN SUPPORT OF PRE-APPEAL BRIEF REQUEST FOR REVIEW

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In support of the Pre-Appeal Brief Request for Review filed concurrently herewith, the Applicants, through undersigned counsel, hereby make the following statement.

The Applicants respectfully disagree with the grounds of rejection, since *Curley et al* does not teach all of the features for which the Final Rejection relies on it, particularly determining a response for *each* segment of the network. Because that teaching is absent from *Curley et al*, and because the other applied references do not overcome that deficiency, the Applicants respectfully submit that none of the applied combinations of references would have resulted in, taught or suggested the present claimed invention.

Please charge any shortage of fees, or credit any overpayment thereof, to BLANK ROME LLP, Deposit Account No. 23-2185 (111788-00101). In the event that a petition for an extension of time is required to render this Amendment timely, and in the event that a separate petition either does not accompany this Amendment or is insufficient to render this Amendment timely, the Applicant hereby petitions under 37 C.F.R. § 1.136(a) for an extension of time for as many months as are required to render this Amendment timely. Any fee due is authorized above.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'David J. Edmondson', written over a horizontal line.

David J. Edmondson
